# LES MEMOIRES 1967

BRISTOL JUNIOR-SENIOR  
HIGH SCHOOL  
BRISTOL, PA.

Happiness is . . . recalling the many wonderful memories we share during our high school years. Aside from our academic endeavors, the years we have spent at B.H.S. have been enriched by the friendships and personal relationships we have attained through contact with our fellow students and faculty in social, athletic, and class activities.

We will always remember the Sophomore Hop, the Junior Ring Dance at which we proudly received our rings, and the excitement of attending our first prom. Memories of the participation in and the attendance of the many athletic events, such as the traditional Thanksgiving Day Game, and the exciting basketball playoffs, will remain with us always. The experiences we encountered on our Washington Trip and the anticipation of our Graduation Day will never be forgotten.

Throughout the pages of **Les Memoires 1967**, we have attempted to capture forever these many fond recollections.

HAPPINESS IS .....  
*A Friend*

#### DEDICATION

Building sound minds and bodies is the objective of every educator. Inculcating the ideals of good sportsmanship both on and off the playing field builds character in the individual. These are the intangible qualities you have inspired in each of us.

We have learned the meaning of fair play as well as the importance of cooperation and responsibility.

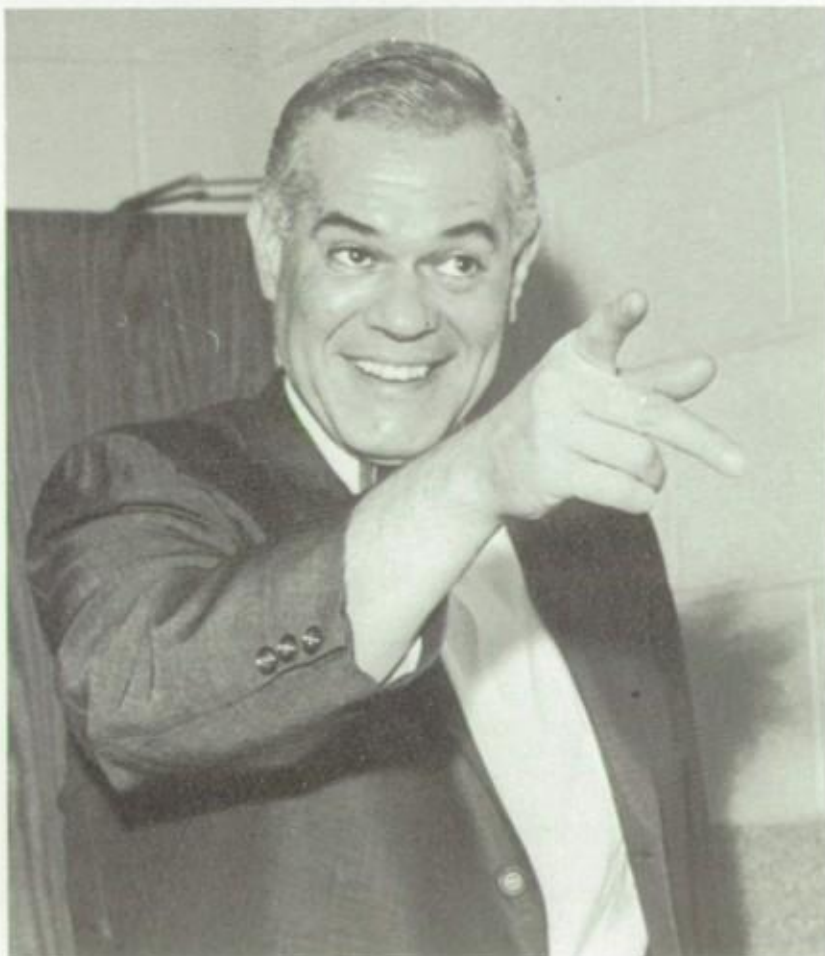

It matters not if you win or lose — but how you play the game. These words are most fitting as we proudly dedicate **Les Memoires, 1967** to you, Marlene Smith and Ted Kowal.

## *HEALTH CENTER*

One of the most valuable service areas in our school is the Health Center. The students of Bristol receive adequate medical care and advice whenever they desire it or in case of emergency, through the ability of the two school nurses. Our student body is extremely proud of their fine health program.

SENIORS

A large, circular white sign with a black border hangs from a thin black string. The word "SENIORS" is written in a stylized, red-outlined, hand-drawn font across the center of the sign. A small five-pointed star is drawn above the letter "I". The sign is mounted on a light-colored, textured background. The entire page is framed by a dark red border with a yellow diagonal stripe in the top-left and bottom-left corners.

## SCHOOL PLAY

"I have a small problem, Doctor. I'm not entirely sure how deep."

For the fall season activity of 1966, Senior High Dramatics presented, "Dear Me The Sky Is Falling." Under the direction of Miss Helen R. Schmidt, the play cast labored long hours for a successful performance.

The play, a three-act comedy, was about Debbie Hirsch's attempt to "find herself" and decide whom she will marry. Despite interference by her well-meaning, but domineering mother, all turned out well, after a series of very amusing events.

Much credit is due to Miss Schmidt, director; Janet Mignoni, student director; Nancy Berry, and Harriet Dougherty, stage managers; Karen Bachman, Sophie Ostopyk, and Ester Williams, prompters, and all the cast members for a fine performance.

## SENIOR TRI-HI-Y

Bristol's chapter of the Tri-Hi-Y has a byword known as action. A Christian organization sponsored by the Y.W.C.A., the girls are known for performing services for the good of the school and community. The club, under the direction of Mrs. Marion Washington, Miss Dorothy Patton, and Mrs. Carolyn Napiecek has done an excellent job of obtaining its goal. As a service-rendering organization the club conducted an annual UNICEF drive and made tray favors and scrapbooks for hospitalized children. The club also helps boost school morale by making insignias of the different athletic teams. Its many activities and good deeds prove this club to be one of the finest service organizations in our school.

The Biking Club, which is a relatively new organization, adding physical fitness activities to the Bristol High School, is under the leadership of Mr. Carmen Mignoni. The club is open to any student with a bike and a spare amount of energy. Although the club has been in existence for only two years, plans are being made for a trip to Washington and a possibility of traveling European roads in the near future.

The Library Club is comprised of students who voluntarily give their time and efforts to working in the school library. Through the club its members are able to obtain and develop an appreciation for literature, and are also able to learn the value and care of the books. The student librarians' jobs consist of helping to organize and arrange books and magazines and to display bulletinboards.

In these ways they become better acquainted with the library and its operations.

# LES MEMOIRES 1967

One of the many jobs facing the senior class is the publication of their yearbook, Les Memoires. Many hours are spent taking pictures, writing captions and articles, typing manuscript, and finally, proofreading the finished product. However, through teamwork and cooperation, all this has been achieved.

With the assistance of our advisors, Miss Stockalis and Mr. Bagley, the publication of the Les Memoires has been a successful project.

The Bristol High School Band of 1966-67 has once again had a very successful year under the capable direction of Mr. Kenneth F. Bachman. It's members participated in the football games and were responsible for much of our school spirit and enthusiasm. In November, the B. H. S. led the 275th Anniversary Parade of Bristol. Many compliments were given for this fine showing.

Since Band is a major subject and it rehearses five times a week, the members not only enjoy activities and concerts, but also get an education in music as well.

# GROUPS

The Bristol High School Choir is a very active organization which spends several hours each week rehearsing for the two splendid concerts given annually. The musical selections range from spirituals and medleys to folk songs and gay seasonal music.

The Junior High School Chorus consists of students from grades seven through nine. These enthusiastic singers always put on a "good show".

The All-Girl Glee Club is composed of those juniors and seniors high girls who sincerely have shown a growing interest in singing.

All three organizations, under the direction of Mr. Pius Kaltreider, go on a yearly trip and have a Christmas party and a spring banquet.

Tom Carpenter hauls in one of many as two Morrisville defenders try to stop him, in the annual Thanksgiving Day Game.

On August 18, the varsity football team started their 1966 campaign. After a week and a half of practice, the team journeyed to Camp-Mock-A-Mixon. During the course of the week, they proved, through their spirit and knowledge of the game, to be, in the true sense of the word a "football team."

After looking well in three scrimmages, the warriors opened their season with an overwhelming victory over Jenkintown, and continued in this perfection through the course of the year, either in victory or defeat.

Although the team ended the season with only four wins and five defeats, they had some of the most exciting games in Bristol High football history. In any way you picture the season, it was successful from all aspects of the game. The warriors ended their season with two straight victories and also have two victories against two of the top teams in New Jersey, and we must all remember, that were it not for the fine coaching ability of coach Ted Kowal, the team could not progress.

## VARSITY HOCKEY

The varsity hockey team, under the supervision of Miss Marlene Smith, had a season that was not too successful this year. They finished the season with 2 wins, 3 ties, and 4 losses. Although the girls did not enjoy a successful season, they learned the true meaning of teamwork and sportsmanship. The girls played their hearts out in every game with their opponents and fought to the end.

The aggressiveness and ability of the team was shown in the girls themselves this year. There, of course, were inexperienced girls but they learned to be aggressive in their participating and practicing hockey.

One great thing that Miss Smith can be proud of and that is that Sheila Long was selected for the All-Star team. She was really a good player and Miss Smith will surely miss her.

This was the fourth year of varsity cross-country participation for Bristol High School. This year Bristol had a fine team, which was really better than their record showed. Bristol is competing in a tough league and on several occasions the team lost by mere points.

Mr. James Atkins, who has been the cross-country coach for four years, will lose several of his experienced harriers this year. These boys have been putting forth fine efforts for several years. Cross-Country at Bristol High should have a fine future with the support and enthusiasm of the student body.

# VARSITY BASKETBALL

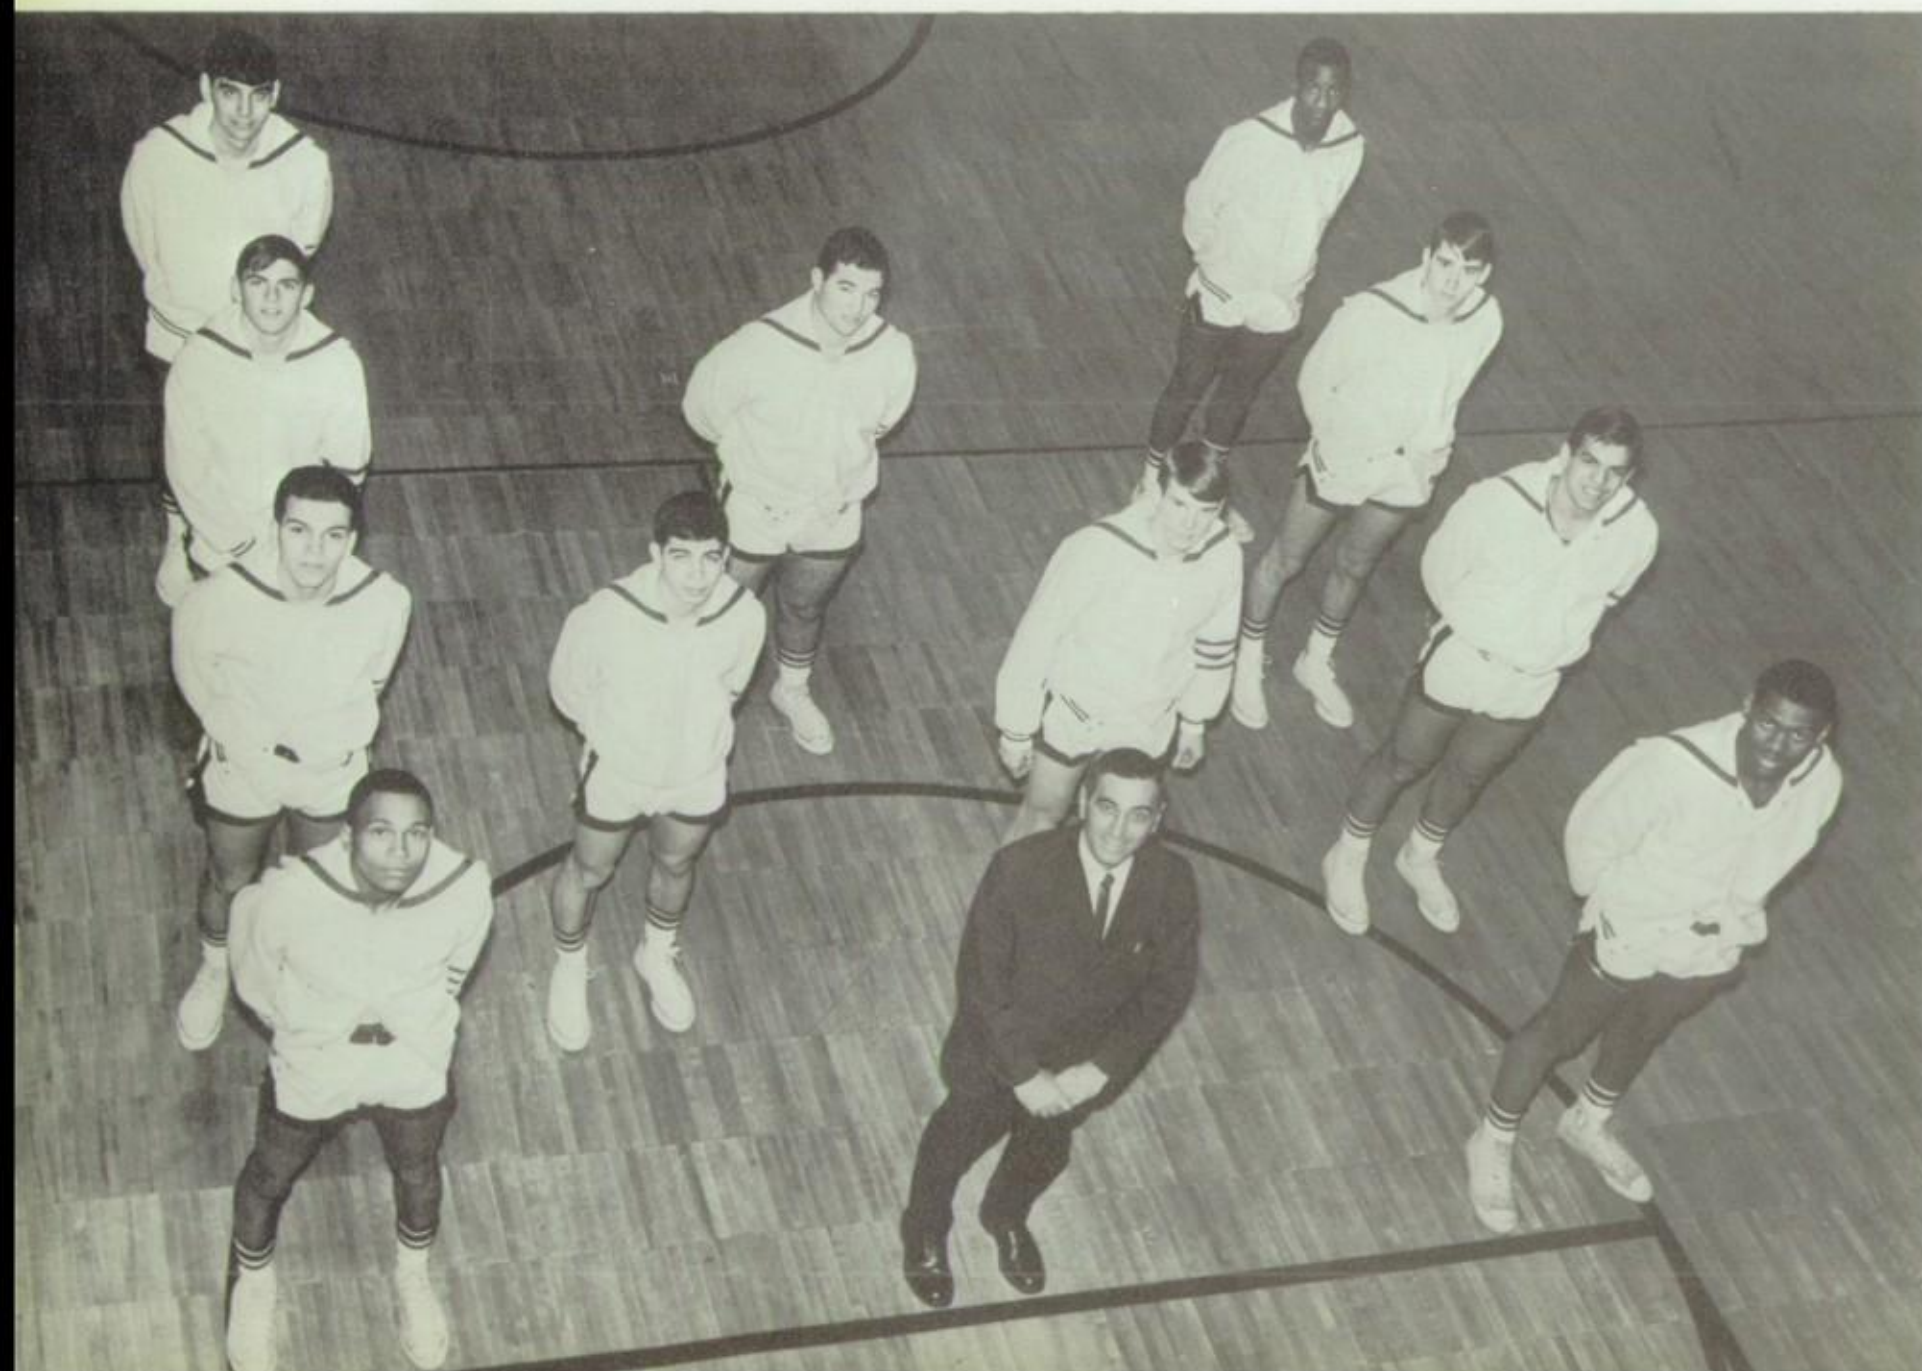

Once again the tradition of fine basketball that has always characterized sports at Bristol High was upheld by the 1967 Varsity Basketball team. This year's team excelled in all facets of the game, and their great play throughout the season was evidence of the benefit of "experience under fire." With the return of six lettermen, it is no wonder that they compiled the fine record that they did.

Losing two games in the first half of league play, the team saw hopes for championship glory fade. However, the experienced squad fought back under tremendous pressure to take the second half crown, and eventually beat Neshaminy, the first half winner, for the championship of the Lower Bucks County Basketball League.

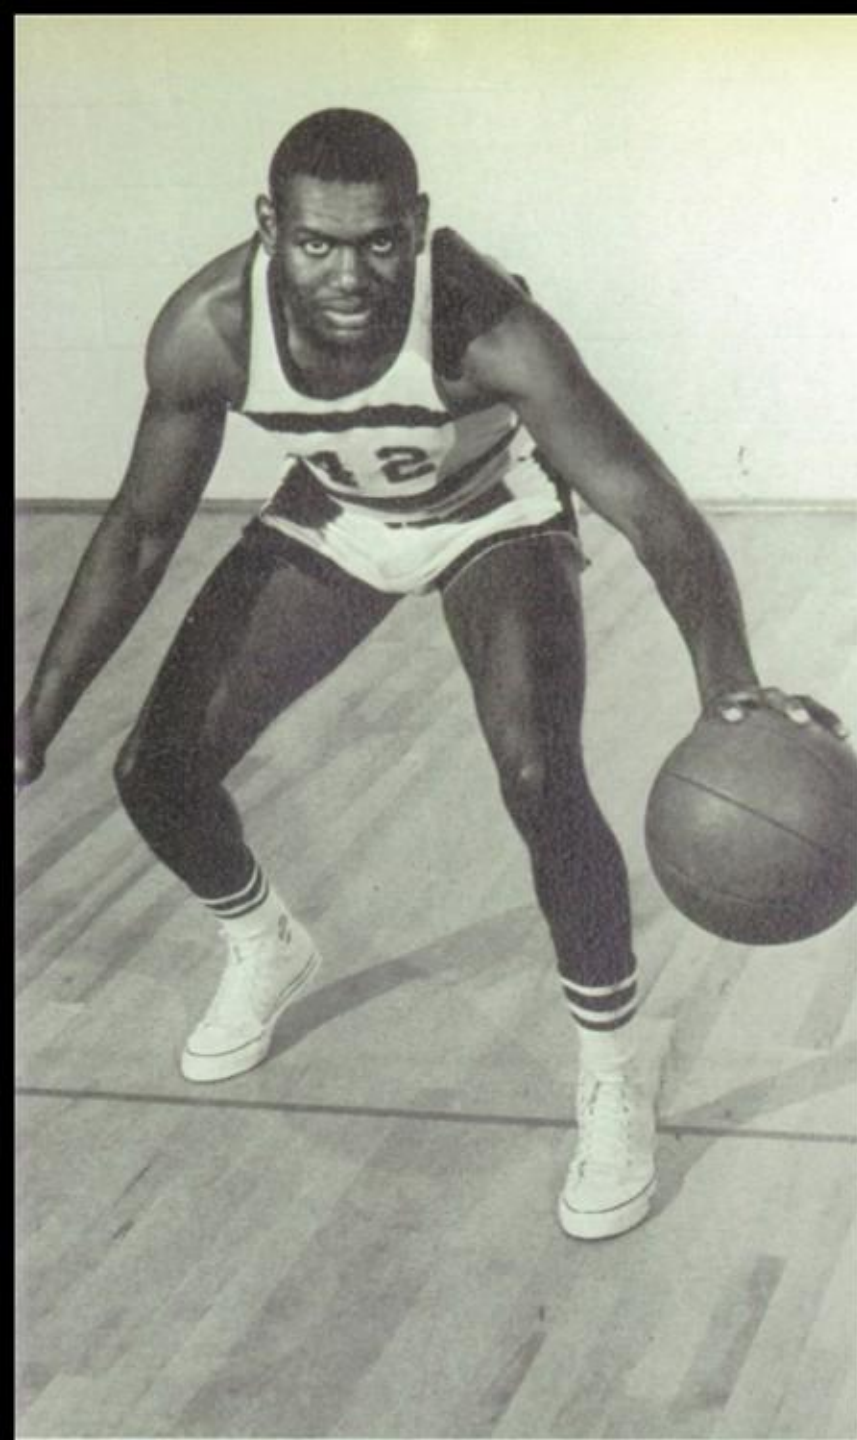

The team then matched its impressive 21 win—2 loss record against Pottsgrove in the PIAA, Class B, District I playoffs at the University of Pennsylvania Palestra, only to be defeated by the slow offense team by six points. This loss was a definite disappointment to the team, coaches, and fans of the Bristol boys who had hoped for the best—possibly a State Championship in PIAA play. Nevertheless, it is evident that the varsity basketball team of 1967 was one of the best teams in the history of Bristol High sports, and their final record of 21 wins, 3 losses will be hard to match in the future.

## *J.V. BASKETBALL*

The junior varsity basketball team consists mainly of the boys who are not yet ready to enter varsity competition, but who are the future "gold mine" of the varsity squad. These boys play as many games as the varsity and the competition is equally rough. This year's team, which was coached by the former basketball star, Mr. James Sottile, ended the season with a fine 20-2 record. The boys this year, played like a well-organized team and were victorious in a majority of their games, thus ending a season which can only be termed successful.

L. Miller, Co-captain; Mr. Sottile, Coach; J. Spadaccino, Co-captain.

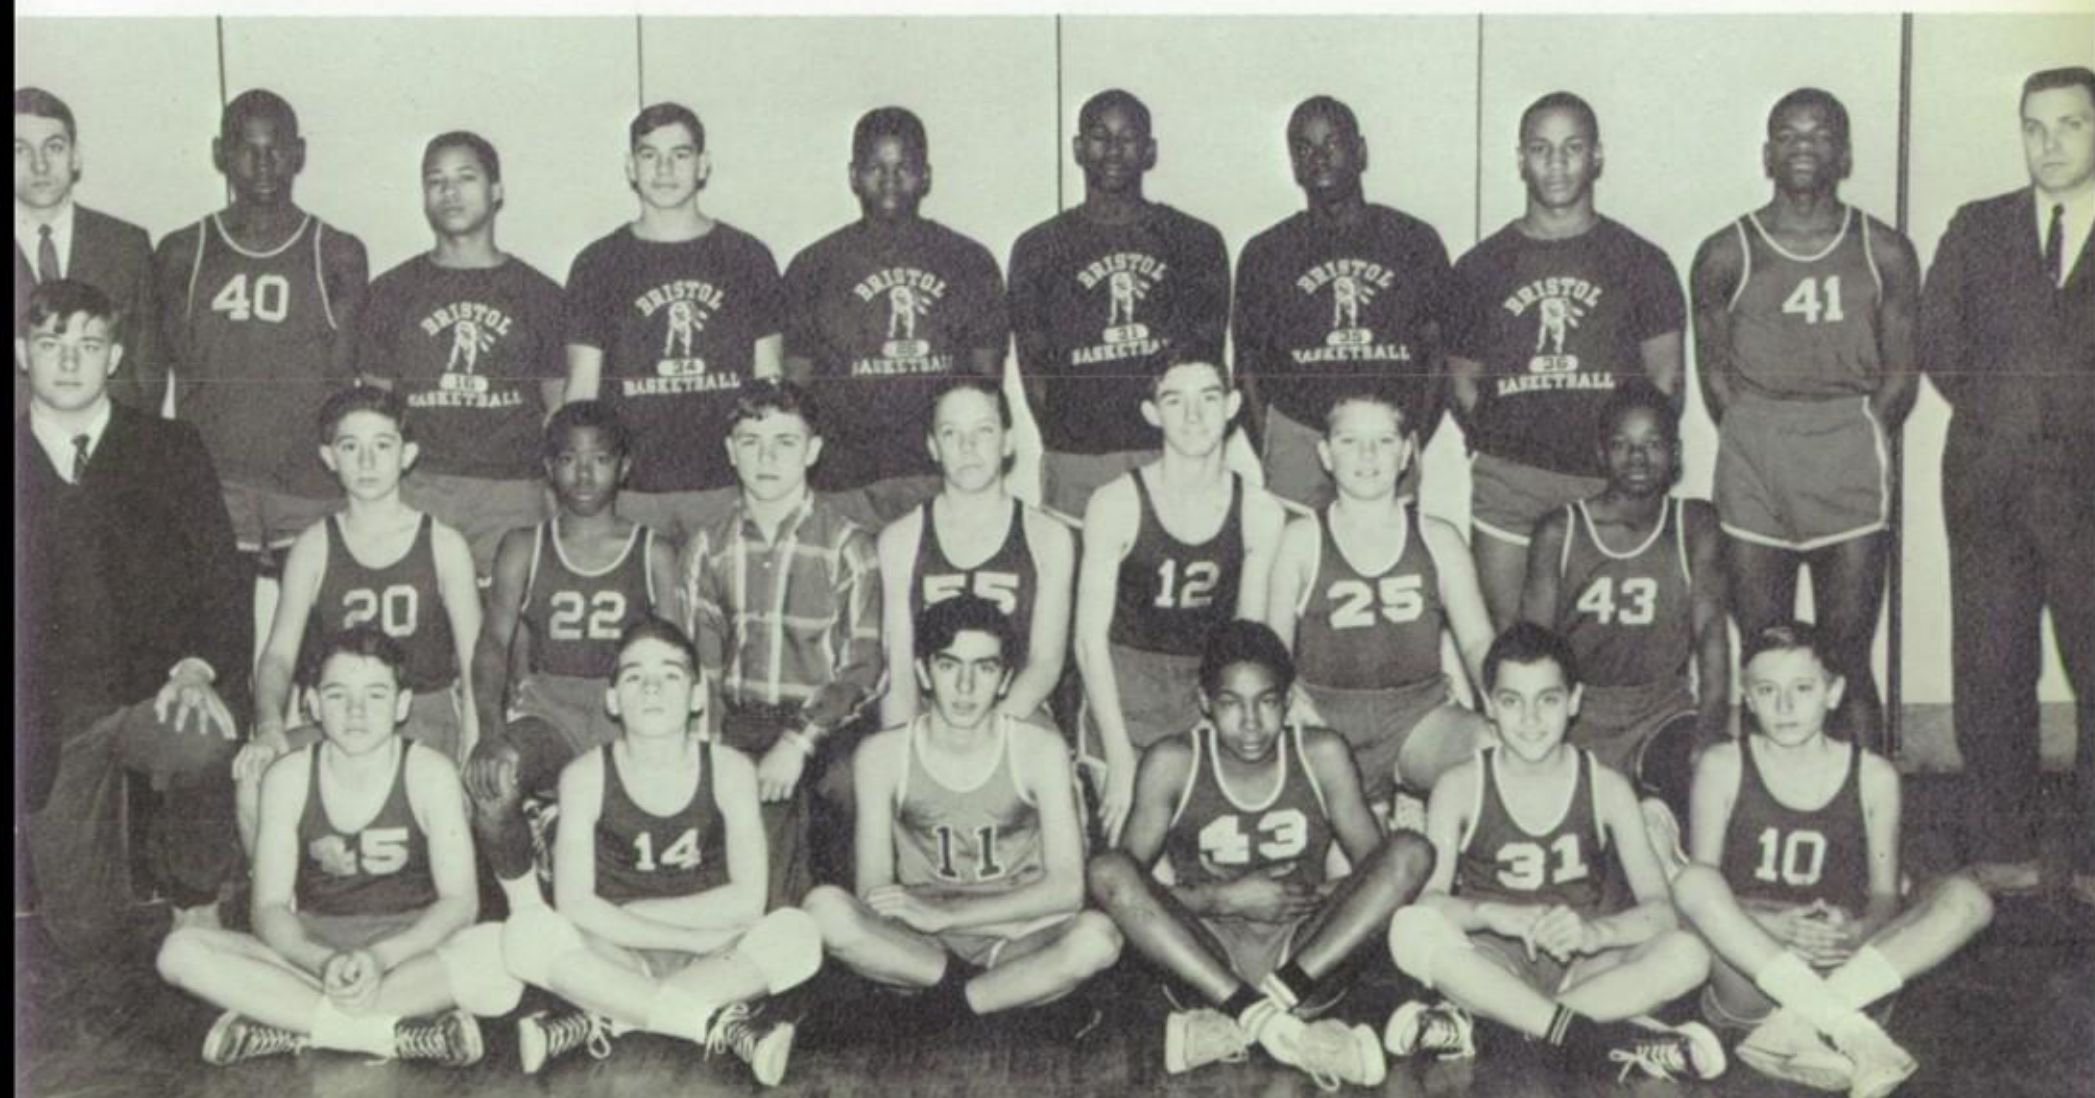

Again this year the junior high basketball program was divided into three teams: seventh, eighth, and ninth grades. Mr. William Price, a newcomer to the Bristol system, did a fine job with the seventh graders in his first year as coach. The eighth and ninth grade teams did exceptionally well this year under the leadership of Mr. James McCool. The ninth grade team compiled an 11 win—1 loss record, losing only to unbeaten Delhaas in the last game of the season. With an impressive record such as this, the junior high cagers should prove to be a team to reckon with on the junior varsity and varsity levels.

## *GIRLS' BASKETBALL*

The basketball team started off with a good season and kept their success rolling for the year of 1967. The girls, under the coaching of Miss Marlene Smith, showed much teamwork on the court. Long hours of practice provided the girls with skills which enabled them to win the games.

Coach—Miss Marlene Smith and Co-Captain Nelda White.

Nelda White, Co-Captain.

Gilda Long, Captain, was the highest scorer with 130 points for the Bristol Warrioretts, averaging about 16.2 points a game, which left her one point away from the scoring title. Also she was one out of five selected for the lower Bucks County Girls All-Star League.

Miss Soska, Coach; J. Guerriero, H. Rushbrook, S. Cordisco, S. Votery, C. Coombs, S. Pitts, L. Buck, M. Weido, J. Sendemen, R. Roberts.

## *J.V. BASKETBALL*

Under the coaching of Miss Soska, the girls junior varsity team worked hard and practiced long hours to learn the skills of the game. Although the girls did not win all the games, they are now prepared to join the varsity squad next year.

Coach Morrison evaluates the team as a dedicated and hard-working group of boys who feel that this is their year. Coach Morrison also has hopes that his L.B.C. champion Gaspar Bono can repeat his great showing of last year. Although a new sport at Bristol, bowling is becoming very popular. Hopes for its continuing and growing are very good.

Experience, hard work, and desire are the key words which can be used to describe the 1966-67 Wrestling Team. The experience factor is due to the return of many boys who had two years of wrestling behind them. The hard work and desire can be attributed greatly to the able coaching of Mr. Anthony DiPietro who inspired his players to give their all. In short, the overall picture is one of improvement and hope for even greater achievement in future seasons.

FIRST ROW—G. Kotch, K. Vasey, J. Wells, C. D'Emidio. SECOND ROW—Coach DiPietro, E. Poplolski, V. Boccardo, T. Landman, T. Miles.

## BASEBALL

**Seniors**—D. Cimino, B. Twitty, J. Caione, J. Saxon, J. Accardi, J. Missanelli, G. Bono.

The Bristol High School Baseball team of 1967 can look toward the coming season with confidence. Although lacking in speed on the basepads, Ted Kowal's "bombers" hope to blast their way to the top of the LBCL with their big bats and fire-balling pitchers. A team of veterans, their experience and desire should prove as valuable assets in their quest for the championship.

John Caione forces out C. R. runner at home.

Bill Twitty is congratulated at home plate after hitting a 4th inning homerun in the Championship game against C.R.

On March 10, the Varsity Girls' Softball Team started their 1967 season. Many girls showed for the initial practice, including many returning letterwinners.

Throughout the season the girls displayed fine ability in trying to improve last year's record of 4-3. The success of this year's season was not only due to the fine playing of the girls, but also the fine coaching ability of Miss Dolores Soska. Miss Soska complimented the team for such a fine season and is hopeful of more in the years to come.

The coming of spring and warm open air, brought excitement and pleasure for track fans.

This year, coach Ronald Sherratt, had his toughest season. Last year he lost his consistent and regular runners. This year, hampered by the shortage of team members, he will probably have another difficult season that will be hard to overcome.

A look on the brighter side however, shows that there will be some bright new comers who will be out for the team this year. With these new boys and with the few experienced and from the past season, Bristol High's Track Team, could well be on the road to a bright future and much success.

The cheerleading squad, composed of ten high school girls, is a well-coordinated and high spirited group. They also plan and execute pep rallies, and this year they participated in their first cheerleading competition.

## J.V. CHEERLEADERS

The Junior Varsity Cheerleading Squad has once again had a successful season in stimulating school spirit. This year the squad was composed seven regulars and two substitutes.

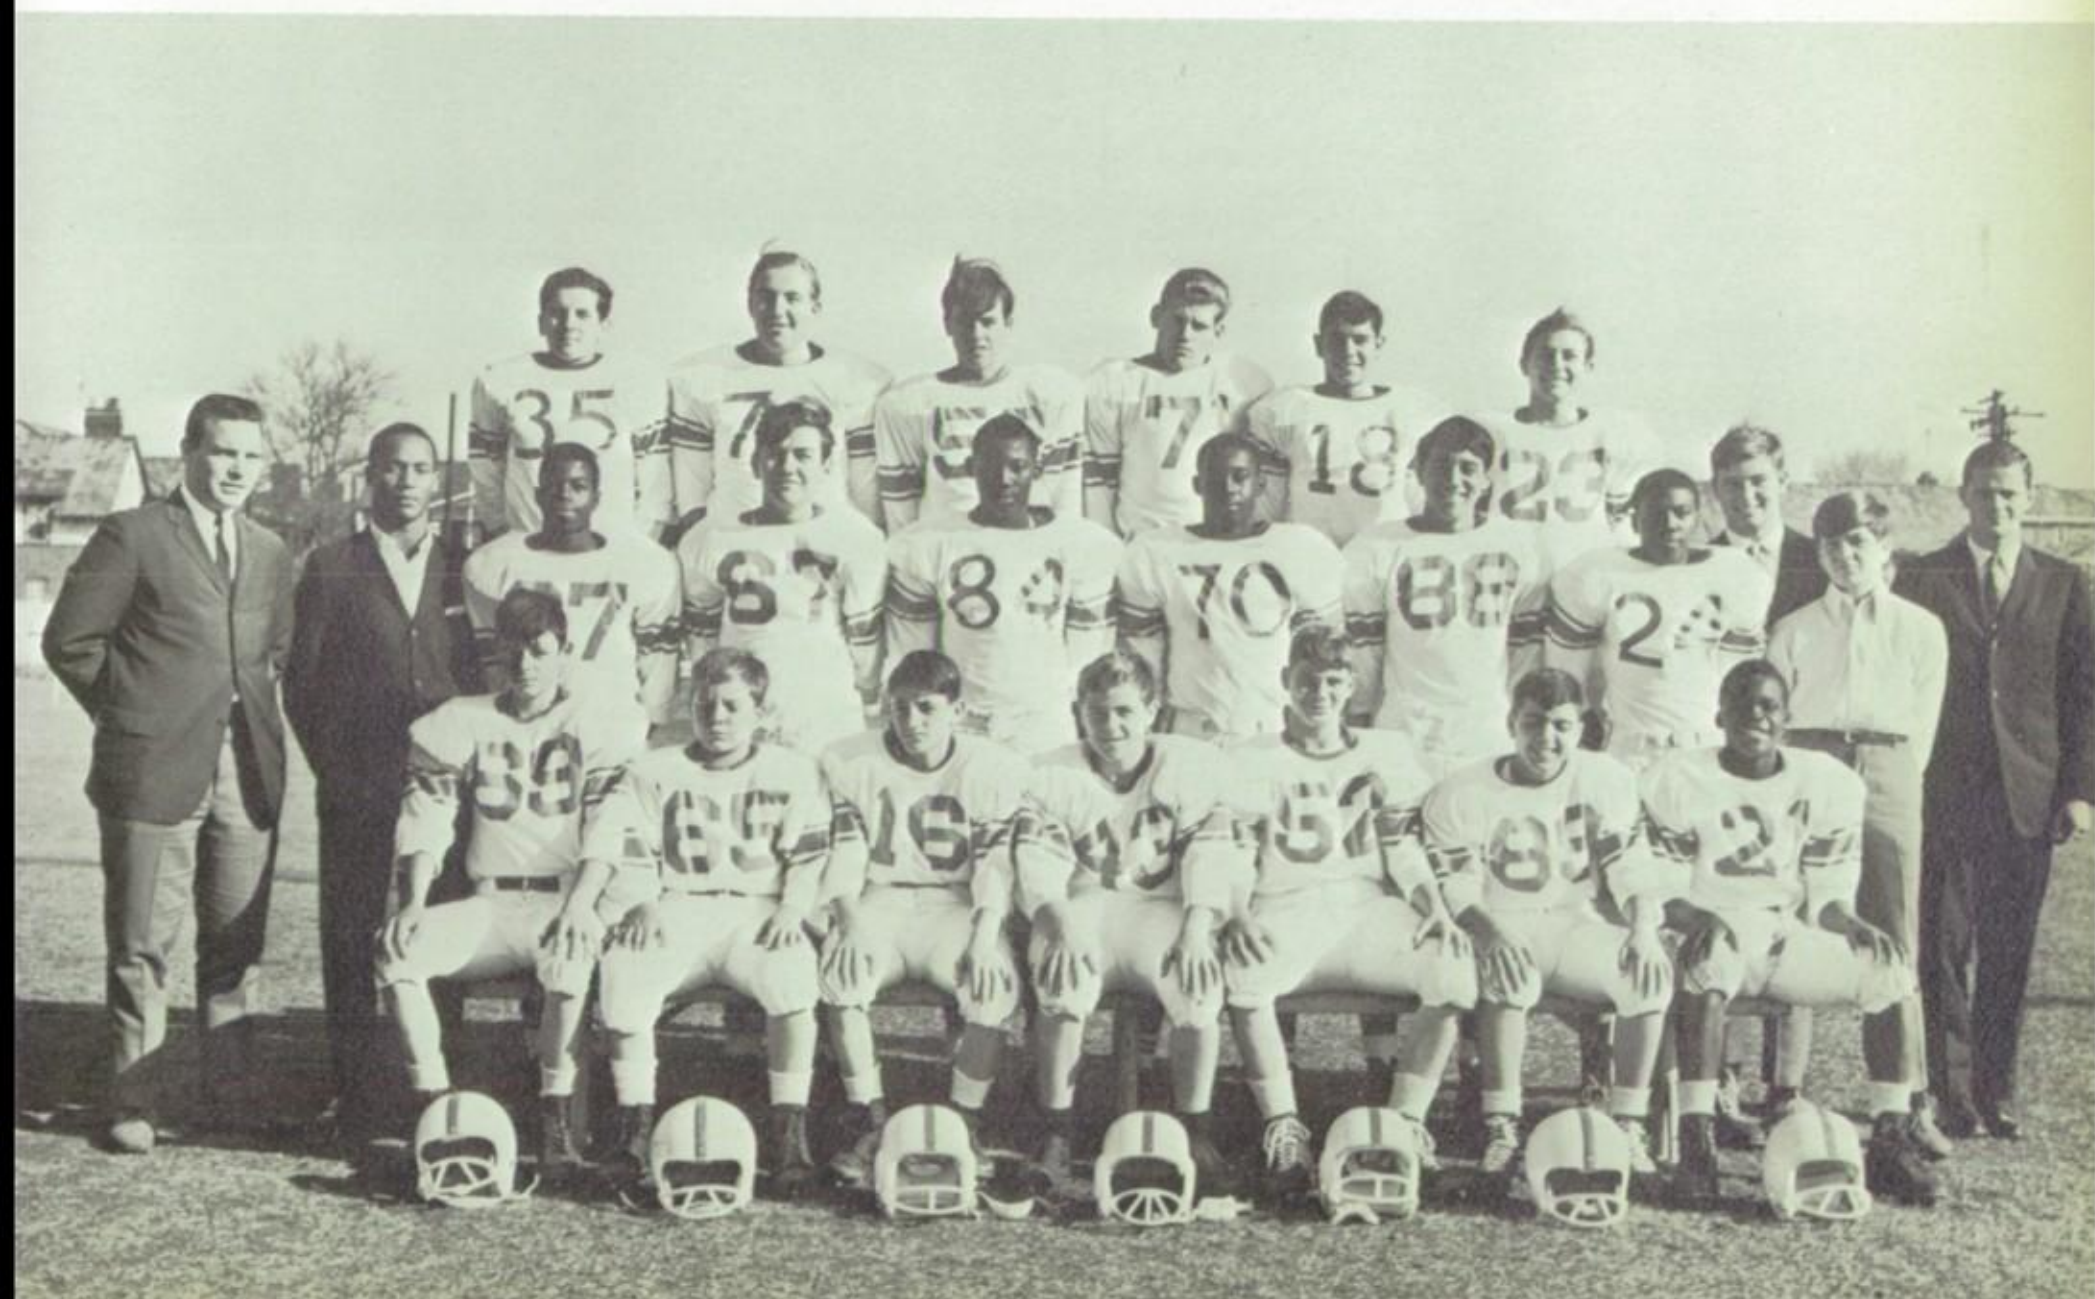

After one and a half weeks of schooling the junior high football team started their long season of football. After practicing and getting in shape with their assistant coach, Mr. Sherratt, the team opened their season with overwhelming victory. The backs were running with authority, and the linemen were blocking with fierce determination, thanks to the fine head coaching of Mr. Mc Cool. Although the team ended the season with three wins and three losses, they showed great potential, which will soon belong to the varsity.

# Team Work

On the football field or basketball court, teamwork is the key to success. The talent and ability of individuals may vary, but without that vital ingredient—the ability to cooperate and work together—individual abilities are meaningless.

Teamwork is also vital in any industrial enterprise. The Rohm and Haas team is made up of more than 12,000 men and women.

At the Bristol Plant some 3,000 people produce hundreds of different chemicals—enzymes for the textile, food, and tanning trades, emulsions for paints, floor polishes, textiles, and paper coatings, Plexiglas acrylic plastic sheet and molding powder, insecticides, miticides . . . the list would fill a book.

To do this a variety of skills are required. Chemists, engineers, chemical operators, accountants, typists, stenographers, pipe-fitters, mechanics, instrument men . . . there are few skills which are not represented on the Rohm and Haas team.

We hope you will consider us when your education is completed. We have a number of positions for team players.

Dwight Muffett and John Burg plunge after a loose ball during the Bristol-Ben Salem football game.

Clyde Light and John Caione get ready to assist their teammates.
